Junior Golf Programs

5 to 1 ratio of students to instructor will provide instruction on the physical aspects of golf along with the skills that make golf an enjoyable lifetime sport. The primary focus of Junior Golf is on skills and golf fundamentals. The enjoyment from Junior Golf comes from a sense of belonging, social interaction, improving skills and competition. We are looking for parent volunteers for each group. Please contact the Golf shop if you are interested.

Please note the format change from years past!

There will be two one-week sessions:

Session 1: Tuesday—Friday June 16th—19th

Session 2: Tuesday—Friday July 28th—31st

Times will vary depending on the appropriate age group for your child.

Future Stars (5-6 years of age)

Cost: \$50 for Golf Members/\$80 for Athletic Members

This session will be 45 minutes and our focus is introduction to the game of golf. It will consist of instruction and fun games around the practice facilities and golf course.

Time: 10:15 a.m.—11:00 a.m.

Junior Stars (7-9 years of age)

Cost: \$80 for Golf Members/\$110 for Athletic Members

Students will work on different fundamentals each day and understand how that fundamental applies on the golf course. This session consists of 45 minutes of instruction and 15 minutes of competition. If a golfer is ready for our advanced class we will contact you (the parents) to discuss moving them up.

Time: 7:30 a.m.—8:30 a.m.

Stars (10 & older)

Cost: \$95 for Golf Members/\$125 for Athletic Members

This group will be split between 6 different Professional Instructors. As golf instructors we are committed to helping every junior golfer accelerate their learning. Each day students will have 45 minutes of instruction on the practice facilities and 30 minutes of on-course practice and competition. Each student will have a chance to move into our advanced class if we feel they are ready to participate and choose to do so.

Time: 8:45 a.m.—10:00 a.m.

Junior PGA League

Cost: \$225 for Golf Members/\$225 for Athletic Members **ONLINE REGISTRATION**

This is the 5th year of our Dellwood Junior Traveling Golf Team. The team will be competing against other Clubs in the area. The PGA Junior Golf League is an innovative and proven way to provide more competitive junior golf rounds. Boys and girls ages 13 & under compete in a two-person scramble format which will reinforce the team concept and create an environment for learning the game.

Our Dellwood team will be comprised of 10-14 players with at least five matches against other local Clubs (WBYC, Keller, Midland Hills, etc.). Along with three home matches & three away, there will be at least four scheduled practice sessions here at Dellwood CC along with a season ending awards banquet (TBD). Matches with other clubs have typically been scheduled on late Sunday afternoons & Evenings but won't be determined until late April.

Registration for the PGA Junior League will be separate from our "in-house" program and can be done online at: www.pgajlg.com register until **May 8th**. To register, your participant must be a child/grandchild of a member of Dellwood CC (golf, athletic) and will need the password "dellwoodcc". You can also use this website for more information on the league and what to expect.

Dellwood swimming lessons are offered on a one-on-one basis with the student and instructor. We offer two openings per half hour (siblings of similar age and ability may be in lessons together) and sign up is available first come/first serve. These individualized lessons help the instructor to work solely with each student based on their own skill level to gain the most improvement possible. Pricing is based on a half hour lesson held two times a week per session.

Swim Club

The Dellwood Swim Club is a summer sports program for kids ages 6 to 16. Our goal is to provide a supportive environment and a true team experience for all those involved. Joining the Swim Club is a great way to make new friends, learn about the sport and have an exciting and productive summer. Our season runs from June 8th – July 24th.

We hold practice every Monday through Friday and kids can choose to compete in 6 dual meets with other teams around the metro area. Meets are held on various Tuesdays and Thursdays. On days of swim meets, there are no morning practices. If there is a scheduling conflict with a meet and other Junior programs the cost for swim meet will be pro-rated.

First Day

Golf: Report to the putting greens on the first day. All participants should have clubs.

Tennis: Report to the tennis courts on the first day. All participants should have their own racquets, however a limited number will be available if your child does not have one.

Swim: Report to the pool for swim team and swim lessons.

Sports Banquet

Join us for the End of Summer Sports Banquet for all juniors who participated in any or all of our golf, tennis and swim sessions. This will be a family event where coaches will recap the season, share fun memories and photos, and give out awards to the kids. We will have a buffet dinner during the event and the cost will be \$20 inclusive per person. We hope to continue this great new tradition at our club. The kids work hard all summer in their respective sports and this is a great way to celebrate the end of the season and recognize their efforts. ***Parents are encouraged to take photos during the course of the summer and send them in so we can put together a slide show commemorating the year.***

The event will be held in the evening on **Wednesday, August 5th at 6:30pm** so mark your calendars now.

Refund Policy

If the parent cancels before the session begins they will receive a full refund. If the child attends between one and three times, they will be charged for each time attended with no further obligation. Refunds will not be provided for Junior Golf. If the child attends four or more times, there will be no refund. In these cases, however, the Instructor will attempt to work one extra lesson or session into their schedule at a later date. Your account will be charged if you cancel a session or lesson within 24 hours of the scheduled time.
