This is the 6th year of our Dellwood Junior Traveling Golf Team. The team will be competing against other Clubs in the area. The PGA Junior Golf League is an innovative and proven way to provide more competitive junior golf rounds. Boys and Girls ages 13 & under compete in a two-person scramble format which will reinforce the team concept and create an environment beneficial to learning the game.

Our Dellwood team will be comprised of 10-14 players with at least five matches against other local Clubs (WBYC, Keller, Midland Hills, etc.). Along with three home matches & three away, there will be at least four scheduled practice sessions here at Dellwood CC along with a season ending banquet and Parent Vs. Child Kick Ball game. Matches with other clubs have typically been scheduled on late Sunday afternoons & Evenings but won't be determined until late April.

Registration for the PGA Junior League will be separate from our "in-house" program and can be done online at: [www.PGAJuniorLeague.com](http://www.PGAJuniorLeague.com) until May 9th. To register, your participant must be a child/grandchild of a member of Dellwood CC (golf, athletic) and will need the password "dellwoodcc". You can also use this website for more information on the league and what to expect.
